**Maryam Rajavi: This Is a Major Crime Against Humanity, and Its Architects and Perpetrators Will Face Justice**

The People's Mojahedin Organization of Iran (PMOI/MEK) announced that the death toll from the nationwide uprising, which began on December 28, 2025, has surpassed 3,000 as of January 11, 2026.

The figures are based on investigations drawing on local sources, hospitals, forensic medicine centers, and the families of those killed or disappeared across 195 cities. The Iranian regime was forced to display some of the bodies on state television, falsely attributing the killings to its opponents and to protesters.

Mrs. Maryam Rajavi, President-elect of the National Council of Resistance of Iran (NCRI), extended her condolences to the people of Iran, particularly to the families, relatives, friends, and fellow activists of these proud martyrs. She stated that this major crime against humanity will not go unanswered by the Iranian people and the uprising youth.

Mrs. Rajavi emphasized that those who ordered and carried out this brutal massacre will undoubtedly be brought to justice in a democratic Iran of tomorrow.
